Chiquita's jingle lyrics

I'm Chiquita banana and I've come to say

Bananas have to ripen in a certain way

When they are flecked with brown and have a golden hue Bananas taste the best and are

best for you

You can put them in a salad

You can put them in a pie-eye

Any way you want to eat them

It's impossible to beat them

But, bananas like the climate of the very, very tropical equator

So you should never put bananas in the refrigerator
